Speakers' Credentials

JULIA EGGLES

Julia has extensive experience working as a developmental therapist in clinical, management and teaching positions in Australia and the United States since graduating with Honours in Occupational Therapy from the University of Queensland in 1982.

Julia has held voluntary positions as a chairperson and member of district, county and statewide committees in Queensland, Australia and New Jersey, USA. She has also been a frequent and popular presenter at conferences and workshops for many years in Australia and the USA.

Julia has co-authored *The Smart Parent's Guide* and written papers for State and rural professional conferences on wide ranging subjects relating to developmental and learning difficulties.

She currently works as a senior OT at Kids Matters Occupational Therapy, predominantly at their Aspley Clinic serving the northern suburbs of Brisbane.

For more information please refer to Julia's LinkedIn profile

Qualifications:

- B.Occ.Thy (Hons), University of Qld, 1982
- Neurolinguistic Practitioner, September 1995
- Certified Cogmed Coach, 2011

LISA HUDSON

Lisa has had a long and varied work life. She has held positions in several of the large Brisbane Hospitals, tutoring and lecturing at the University of Queensland, working as a sole Speech Pathologist in a large community centre, and a period working overseas in the Canadian educational system.

On returning from Canada, Lisa moved to Toowoomba, where she worked from 1994 to early 2007 initiating many innovative services and programs for Queensland Health in the field of childhood development, health technology and Telehealth.

In 2003, she established her private practice which continues to thrive today. Simultaneously for many years, she sat on the voluntary Management Committee of the Kath Dickson Family Centre in various positions, and was for a time, their Chief Executive Officer.

Throughout her career she has published extensively in journals and edited text books. She is also the co-author of *The Smart Parent's Guide*.

Lisa is a sought after speaker for conferences, workshops, seminars and staff development events.

For more information please refer to Lisa's LinkedIn profile.
